The King's Collection

3.5"

External Enclosure

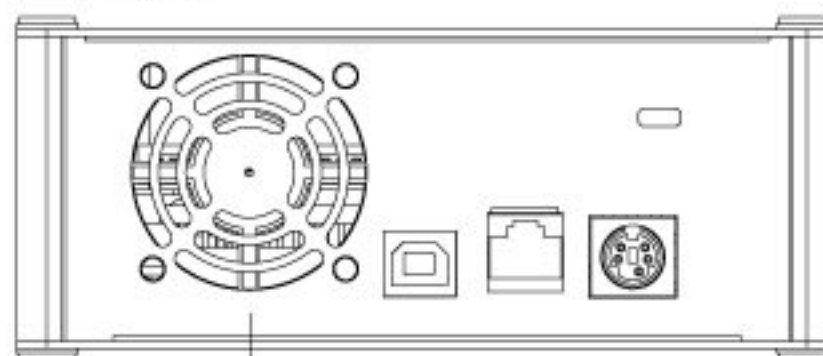

MAP-KC31N

Innovative USB-LanDisk gives the new way for data transfer

- Newly developed USB-LanDisk simply transfer files, photos or videos and share them over the Internet
- USB 2.0 high-speed interfaces & RJ45 for barrier-free data transfer
- Unique share-level-access security completely protects important data
- Newly designed 5-LED light can easily monitor Lan activity, speed of data transfer, USB 2.0 activity, fan operation, and power status
- Patented strong-structure aluminum design & unique aerodynamic cooler fin leads to class-leading heat dissipation and device protection
- Lightweight and streamlined appearance for 3.5" HDD with plug and play function.

REAR VIEW

Optional 4cm fan

Model Number	MAP- KC31N
Interface	USB 2.0 + RJ 45
Drive Type	For 3.5 Hard Disk Device
Special Features	Lan Disk W/ 5 LED Indicator (Link/10-100/USB/FAN/PWR) 4 cm Fan (Optional)
Material	Front Panel: Metal Grid
	Outer Case: Aluminum
Dimension (WxDxH)	136 x 208.5 x 60 mm 5.35 x 8.20 x 2.36 inches
Power Source	External Universal Switching Power Adapter (12V 1.5A / 5V 1.5A)
	UL, FCC, CE, TÜV Certified
